Subject: Microsoft Settlement

Dear Sir or Madam:

I am writing to express my disapproval over the proposed Microsoft Settlement.

I believe this deal is a sellout to Microsoft. Consumers get no real benefits and Microsoft goes unpunished for their antitrust behavior. We have no reason to spend millions of taxpayer dollars pursuing this case, only to hand out such lenient penalties when the facts are on the government's side. Microsoft is and continues to be a monopoly.

I urge you to reconsider the terms of the deal so that real progress can be made to restore competition in the marketplace.

Sincerely,

Benjamin Kuo
